

29th November 2023

Dear Prospect Businesses and Residents,

Christmas in Prospect Street Party - Saturday 9th December 2023 Temporary Speed Reduction, Parking Removal and Road Closures

We are thrilled to announce we are planning a Christmas Street Party for the wonderful community supported by the City of Prospect, which will be held on Saturday 9th December from 4pm to 9pm. The Christmas in Prospect event is a community lead, family friendly evening which will be held along Vine Street Plaza, Eliza Hall, in the top area of Vine Street near the Plaza and Council's car park through to Hatchard Lane.

Event Details

We warmly invite you to witness Santa arrival in style at 4pm, with the event officially opening by a very special guest shortly after. Santa will be available from 4pm to 8pm to meet, greet and have free selfies with the families in the community.

It will be a spectacular inclusive evening for the wider community of Prospect to all come together to celebrate the joy of Christmas in the heart of Prospect with live music, carols by our community, supporting delicious multicultural food from our locals, Christmas gift Markets featuring PLEG, Prospect Lions Club firing up their BBQ with Kransky's, SA distilleries & our local wine producer Pete Majella, face painting, henna, and free craft activities, popcorn & badge making with Lucy Hood, and LOTS of family friendly activities.

This annual Christmas event is Stephanie's most generous, voluntary, non for profit contribution to her community. To our wonderful sponsors and to the City of Prospect, we owe a debt of gratitude for their support to move forward this annual Christmas event this year. We thank each and every one of our volunteers and ask our community to continue to be respectful to all who are involved.

Traffic Management Plan

To make this event a success, a Traffic Management Plan has been implemented to address safe access for the community Christmas event.

Vine Street access for Residents only from 12pm - 11pm.

- **A hard closure of Vine Street near the Plaza affecting residents #1, #2 & #3 & we kindly request residents who may need to access their cars, park your cars along Vine street for the day please.** There will be small section of the road that will have no parking on both sides, allowing cars to easily do a U turn if needed. A Traffic Controller will be in their area to facilitate residents needs.

Honeysuckle, Lilac, Hatchard Lane

- **No entry into Vine Street with Business and Residents access only from 12pm -11pm** A traffic controller will be stationed in this area to facilitate residents needs.
- Honeysuckle Ln/Myrtle St intersection - recommend local access only sign as well as road closed ahead sign to deter those who usually short right through to Olive Street needing to detour down Lilac Lane

Braund Road

- No Parking restrictions will be in place along one side of Braund Road from Olive Street to Myrtle Street from 1pm - 11pm.

•

Council Carpark

- A hard closure of Prospect's Council Carpark from Hatchard Ln through to Vine Street will apply from 12pm - 11pm. A traffic controller will be stationed at Hatchard Lane.

Please see the map for the event location.

If you have any questions at all, please feel free to contact Stephanie Ferretti directly by calling 0475 618 238 or emailing: marketsinprospect@gmail.com.
